
TIPS FOR **CONNECTING** WITH PEOPLE

#stayconnected

TIPS FOR CONNECTING

// CONVERSING

- Be friendly
- Listen intently and remember key points
- Show you care
- Express yourself openly and honestly
- Avoid making judgements

Getting started

Compliment (genuinely, of course!)

Discuss the weather, a common interest, sports, etc.

Connecting deeper

Ask how they are doing

Share a current concern you have about life

Inquire about family

Ask about work

Share something you recently learned

Empathize with hardships

Ask if there's something you can pray for

Express gratitude

Pray for them

TIPS FOR CONNECTING

// ASKING QUESTIONS

- How are you feeling about _____?
- What's been the highlight of your day, so far?
- What is weighing on your mind the most these days?
- What has brought you the most joy in this season?
- If you could share a word of encouragement with people, what would it be?
- Who inspires you?
- What goals are you working towards currently?
- How can you use your story to encourage others?
- What is God speaking to you in this season?
- How can I pray for you?

TIPS FOR CONNECTING

// ASKING QUESTIONS

- If you could do anything with your life what would it be?
- On a scale of 1 to 10 what is your stress level right now?
- How do you cope with stress?
- What one change would make the biggest difference on your stress level?
- What's going well in your life right now?
- How do you celebrate the small victories in life?
- At your best, who you are is _____?
